As you welcome new leaders into your ranks, may you continue to uphold the highest standards of excellence, integrity, and service that define the JCI Senate. Let this occasion inspire us to build a legacy that transcends generations and leaves a lasting impact on our nation.

It is an honor to stand with you in service as we work toward a brighter and more prosperous Philippines.

Mabuhay ang JCI Senate Manila!

JOSEPH VICTOR "JV" EJERCITO

Greetings to the members of the Junior Chamber International Senate Manila, guests, and the 2025 Board of Directors.

Congratulations to all of you on your Induction and Turnover Ceremonies. Your chosen theme, "Transcendent Legacy," beautifully reflects the depth of your commitment to building something that lasts beyond the here and now—an enduring impact that shapes the lives of generations and strengthens the very fabric of our communities.

As the Mayor of the City of Manila, I stand in admiration of your dedication to uplifting lives, fostering camaraderie, and inspiring excellence among individuals and organizations alike. The City of Manila is blessed to have leaders like you who consistently embody the spirit of service, compassion, and innovation.

The work you do echoes with our shared vision for a better, more empowered Manila. Your projects and initiatives not only inspire change but also create opportunities for countless individuals to rise and thrive. It is this synergy of purpose between JCI Senate Manila and our local government that strengthens my belief in the boundless potential of collaboration.

On behalf of the people of Manila, I pledge our continued support and partnership as you pursue your noble mission. Let us move forward together, united in our shared aspirations to create a brighter future, one that reflects the transcendent legacy we wish to leave behind.

Congratulations once again to the 2025 Board of Directors! May this year be marked by extraordinary achievements and meaningful connections that will serve as a gleam of hope for all.

Mabuhay ang JCI Senate Manila! Mabuhay ang Lungsod ng Maynila!

MARIA SHEILAH "HONEY" H. LAC NA-PANGAN, M.D., FPDS

from The National President JCI Senate Philippines

Warmest greetings to my fellow JCI Senators and esteemed guests!

As we gather for the 2025 Board of Directors' Induction and Turnover Ceremonies, we celebrate more than just a change in leadership. Under the theme "Transcendent Legacy," we are

reminded of the profound and lasting impact of our shared efforts, which resonate across generations and communities, far beyond the immediate outcomes.

This occasion is an opportunity to reaffirm our commitment to building a future anchored on sustainable growth and enduring relevance. The 10-point agenda outlined for the year serves as a roadmap to this goal:

- Strengthen Stakeholder Engagement by fostering enduring partnerships with JCI chapters, government units, and sponsors for mutual growth.
- Enhance Internal Coordination through efficient communication and quarterly meetings to ensure seamless project execution.
- 3. Assign NDICs for Key Functions to promote accountability and focused leadership in flagship projects and membership growth.
- Define and Track KPIs with quarterly assessments, ensuring programs deliver impactful outcomes.
- Localize National Projects such as TOFIL, Project Watch, and Greenlink to address region-specific needs effectively.
- 6. **Drive Membership Growth and Engagement** by revitalizing chapters and running campaigns that foster a more active JCI Senate Philippines.
- Implement a Timely National Project Schedule to ensure initiatives are launched and evaluated efficiently.
- 8. **Execute Early Fundraising Initiatives** to secure resources for the year's projects and programs.
- Produce Quarterly Newsletters to celebrate achievements and keep members informed through THE SENATOR.
- Set and Achieve KPI Targets to inspire excellence and recognize top-performing areas and initiatives.

Together, let us forge a legacy that transcends time—one defined not only by the immediate, visible results of our work but also by its deeper, lasting impact.

Congratulations to the incoming Board of Directors, and heartfelt gratitude to the outgoing leaders for their invaluable contributions. May we all continue to embody the principles of service, leadership, and excellence that define JCI Senate Manila.

In service.

From JCI Sen. Kit Lee and 2019 Board of Directors

Today, JCI Senate Manila stands as the Philippines' most vibrant and dynamic JCI Senate organization,

a jewel in the crown of the nation's civic landscape.

n the intricate tapestry of society, where the golden threads of philanthropy entwine with the silver strands of leadership, JCI Senate Manila emerges as a timeless masterpiece—an enduring testament to the transformative power of service and vision. For more than four decades, this distinguished organization has not merely produced leaders but has been the crucible in which transformative change is forged, charting a remarkable journey from the shores of fraternal fellowship to the expansive ocean of impactful service.

The genesis of JCI Senate Manila was deeply rooted in the ideals of camaraderie and shared purpose, envisioned as a sanctuary where like-minded leaders, nurtured by the principles of the Junior Chamber, could strengthen their bonds. Yet, what began as a fellowship blossomed into something far more profound: a dynamic force for good that reshaped community traditions and carved an indelible legacy in the annals of service.

In our modern era, leadership is often extolled as the universal remedy to the complex challenges of our time. The chronicles of history, vast and intricate, seldom question the unwavering faith placed in the power of leadership to steer humanity through organizational intricacies and societal dilemmas.

Within this enduring narrative, JCI Senate Manila rises as a luminous beacon of extraordinary leadership, drawing its inspiration and ethos from the storied legacy of Junior Chamber International—the premier leadership development organization in the country.

Today, JCI Senate Manila stands as the Philippines' most vibrant and dynamic JCI Senate organization, a jewel in the crown of the nation's civic landscape. While fostering fellowship and camaraderie among its distinguished members remains a cornerstone of its mission, the organization has evolved into a transformative agent of change, transcending its original purpose. Its unwavering commitment to socio-development initiatives has not only enriched countless lives but also earned the chapter

widespread acclaim as the most-awarded JCI Senate chapter in the Philippines.

With every endeavor, JCI Senate Manila reaffirms its dedication to the dual ideals of leadership and service. It exemplifies how a community of visionaries can craft a legacy that bridges generations, leaving an imprint not only on the present but also on the future—a legacy that will continue to inspire and transform long after its chapters have been written.

THE GENESIS OF FELLOWSHIP

The illustrious journey of the most distinguished JCI Senate establishment in the Philippines began as a humble gathering of old JCI friends, sharing a vision that would transform the landscape of leadership and service. On September 2, 1979, JCI Senator Amelito R. Mutuc hosted a dinner meeting at his residence in Forbes Park, bringing together a group of accomplished individuals, including former National Presidents and Manila Jaycee (JCI Manila) Presidents. What began as a simple reunion laid the cornerstone for the birth of the Manila Jaycees Senate — an organization unified by purpose and devoted to the advancement of Manila and its people.

To be a JCI Senator is to hold a lifetime badge of honor, signifying unparalleled contributions to the Jaycee movement at the local, national, or international level. This prestigious distinction is revered worldwide, commanding respect and symbolizing a steadfast commitment to the principles of service, leadership, and excellence.

In its formative years, the Manila Jaycee Senate was guided by an extraordinary succession of leaders who left an indelible mark on its legacy.

From its modest beginnings, the Manila Jaycees Senate has grown into a beacon of leadership and Senate has grown into a beacon of leadership and service, embodying the highest ideals of JCI. Its legacy continues to shine, not only as a testament to its storied past but as an enduring source of inspiration for generations to come.

THE TORCHBEARERS OF LEADERSHIP

In the nascent days of JCI Senate Manila, President Ramon D. Bagatsing emerged as a visionary pioneer, steering the fledgling organization with a zeal that would set the stage for its enduring legacy. His inaugural initiative, the publication of The Manila Jaycee Senate Today, was a masterstroke of communication and representation. This groundbreaking newsletter earned the prestigious "Most Outstanding Senate Chapter Publication Golden Award" from the Philippine Jaycee Senate within its very first year — a remarkable achievement that underscored the Senate's potential to inspire and innovate.

The newsletter became a dynamic platform, vividly chronicling Senate activities, accomplishments, and aspirations. Its pages resonated far beyond the organization, reflecting a commitment to transparency and the free flow of information. This early triumph not only celebrated the Senate's vigor but also cemented its reputation as a forward-thinking and communicative body.

However, the trajectory of this promising chapter was soon met with unforeseen challenges. Despite the grandeur of its initial steps, the momentum that had driven President Bagatsing's administration began to wane. The dual demands of his mayoral duties and Senate leadership proved overwhelming, leading to his decision to step down just two months into his tenure. In October 1979, President Bagatsing handed

the reins to his executive vice-president, the accomplished management consultant and JCI Senator Salvador V. Del Rosario.

President Del Rosario took the helm during a critical period of transition. Tasked with sustaining the energy and vision initiated by his predecessor, he embraced his new role with pragmatism and dedication. His administration focused on fostering connections with seasoned senators and reestablishing ties with those who had drifted from the Manila Jaycee Secretariat's network. Under his stewardship, these relationships were nurtured, ensuring that the chapter's roots remained firmly planted while new branches of engagement and collaboration began to grow.

This era of leadership highlighted the resilience and adaptability of JCI Senate Manila. President Del Rosario's commitment to continuity during uncertain times acted as a stabilizing force, bridging the gap between the chapter's formative aspirations and its future potential. His leadership proved that progress

is not only measured by milestones achieved but also by the grace with which transitions are navigated and the foundations strengthened for those who follow.

Through the visionary leadership of its early presidents, JCI Senate Manila demonstrated that the spirit of service and fellowship could thrive even amidst challenges. These foundational years became a testament to the power of persistence, collaboration, and the enduring belief in the Senate's mission to inspire leaders and create lasting impact.

THE EIGHTIES: REVITALIZING MEMBERSHIP

In the early 1980s, the helm of JCI Senate Manila was seized by the visionary construction entrepreneur, JCI Senator **Reynaldo S. Guevara**. His presidency, spanning from 1980 to 1981, marked a transformative phase for the organization. Seeking to weave the fabric of camaraderie, President Guevara instituted the first regular General Membership Meetings at the prestigious Manila Golf and Country Club. The last Friday of every month became a rendezvous for Senate members, providing a platform for discussions, idea exchange, and the strengthening of the Senate's collective spirit. As an avid golfer himself,

President Guevara took the camaraderie to the golf course, instituting a monthly Manila Jaycee Senate Golf Tournament, uniting the members in their shared passion for the sport.

The mantle of leadership was then passed to the capable hands of former Ambassador to the United States, Atty. Amelito R. Mutuc, who helmed the organization from 1981 to 1982. Under his dynamic leadership, the Manila Jaycee Senate elevated its presence in the community. The Senators' Kapihan, a groundbreaking initiative, became a occurrence every first, second, and third Friday of the This platform facilitated intimate conversations between Senate members government officials, delving into the intricacies of pressing national issues. Further, the board instituted the Socio-Economic Affairs meeting every Monday noon, creating a forum for in-depth discussions on a spectrum of topics vital to national interest.

One of the pinnacle achievements during President Mutuc's term was the grand testimonial dinner held in honor of Prime Minister and Manila Jaycee Senator Cesar Enrique A. Virata on March 16, 1982, at the prestigious Hotel Intercontinental Manila. Attended by over 1,000 JCI Senators and distinguished guests, including government officials who were Manila Jaycee Senators, this event underscored the Senate's ability to orchestrate grand-scale gatherings that left an indelible mark on the community.

1982 emerged as the "golden year" for the Manila Jaycee Senate, a testament to the collective efforts under President Mutuc's stewardship. The chapter garnered its first national awards as the "Most Outstanding Senate Chapter of the Philippines" and bestowed the title of the "Most Outstanding Senate President of the Philippines" upon President Mutuc, recognized by the Philippine Jaycee Senate in 1983. This period not only marked an apex in the chapter's history but also laid the foundation for a legacy of excellence that would resonate through the annals of JCI Senate Manila.

Between 1982 and 1987, JCI Senate Manila underwent a transformative period marked by key leadership transitions and strategic initiatives aimed at reinvigorating and solidifying its membership base. These years were defined by an unwavering focus on fortifying internal dynamics, enhancing communication, and fostering a renewed sense of purpose within the Senate.

In 1982, JCI Senator **Pablo A. Tan**, a prominent trader specializing in school and office supplies, took the reins as the Senate's leader. Stepping into the role following the leadership of Senator Mutuc, Tan spearheaded efforts to stabilize and revitalize the organization. His tenure is especially notable for the establishment of the first Manila Jaycee Senate Directory, a comprehensive compilation that served not only as a directory of members but also as an

important reference tool that solidified the organization's internal cohesion. This strategic move helped ensure greater connectivity and smoother communication among the diverse and growing Senate constituency.

Tan's brief but impactful tenure set the stage for the transition to JCI Senator Jose Halili-Co, an insurance magnate and the sixth Senate President, who served from 1982 to 1983. Under Halili-Co's leadership, the focus shifted towards creating and nurturing fellowship initiatives that would serve to bind the members together. Recognizing the importance of consistent engagement, he introduced regular general membership meetings. These meetings became crucial in fostering a culture of camaraderie, as they provided a platform for members to reconnect, share ideas, and build relationships. During this period, JCI Senate Manila's membership swelled to over 200, highlighting the growing appeal of the organization and the effectiveness of Halili-Co's fellowship-driven initiatives.

In 1984, the leadership baton passed to former 1980 JCI Philippines National President **Franklin A. Evaristo**, a distinguished journalist and businessman. As President for the 1984-1985 term, Evaristo focused on revitalizing the Kapihan forum, a signature platform for discourse and fellowship that brought members together for informal discussions on relevant topics. His tenure also built upon the solid foundations laid by his predecessors, ensuring continuity in the Senate's activities while introducing a renewed focus on the professional and social needs of the members.

In 1985, JCI Senator Vicente R. Aylon, an influential

figure within the Ayala group, assumed the presidency for the 1985-1986 term. Aylon's leadership was distinguished by a more outward-looking approach, emphasizing the importance of raising membership awareness about national issues. This vision led to the re-establishment of the Political Affairs Committee and the revival of the Socio-Economic Forums, both of which played a vital role in keeping members informed about key political and economic developments in the Philippines. Aylon's tenure reflected a growing emphasis on the role of the Senate not only as a social organization but also as a forum for intellectual and political engagement.

The period from 1986 to 1987 saw a notable shift as Atty. Romeo D. Laig, a corporate lawyer and former Manila Jaycee President, assumed leadership. Laig's administration was marked by a dedication to fortifying the bonds among Senate members. His commitment to strengthening internal relationships was reflected in the numerous fellowship activities, sports tournaments, and social functions he organized. These initiatives were pivotal in creating an environment of mutual respect and camaraderie, ensuring that the organization remained united and cohesive during a period of significant leadership transition.

As JCI Senate Manila approached the 40th Anniversary of the Manila Jaycees in 1988, the year 1987-1988 became a landmark period. Under the leadership of **Jose Maria J. Fernandez**, a former bank executive and 1981 Manila Jaycee President, JCI Senate Manila commemorated its anniversary with the Metro Area Conference in collaboration with the Philippine Jaycee Senate. This event not only marked a significant milestone but also laid the groundwork

for what would become the Outstanding Filipino Awards (TOFIL) — an annual recognition program that honors exceptional Filipinos in both public and private sectors.

In 1988-1989, American entrepreneur **Stanley D. Phillips** took over the presidency, broadening the scope of celebrations to include all Jaycee chapters across the Philippines. His leadership in expanding the organization's reach and fostering collaboration was pivotal as the Senate organization continued to evolve. Phillips' efforts culminated in a significant milestone—the 40th anniversary of the Jaycee movement in the Philippines in 1989, a year that saw JCI Senate Manila become an even more integral part of the national Jaycee network.

As the transformative decade drew to a close, the leadership baton was passed to Fernando F. Vitug II, a building contractor, who assumed the presidency for the 1989-1990 term. Vitug's leadership was marked by the regularization of fellowship activities and general membership meetings, ensuring consistent engagement with members. His tenure focused on fostering awareness, cohesion, and a deeper sense of

purpose within the Senate, ensuring that the organization remained steadfast in its mission to create lasting impact and strengthen its foundation as a prominent entity in Philippine society.

The years between 1982 and 1990 marked a period of profound growth, development, and resilience for JCI Senate Manila. Through strategic leadership transitions, a focus on strengthening fellowship, and an unyielding commitment to social responsibility, JCI Senate Manila emerged as a dynamic, multifaceted organization. This transformative era not only solidified the Senate's role in the broader JCI community but also laid the foundation for future generations to continue driving positive change and leaving a lasting legacy.

THE NINETIES: A DECADE OF DIVERSITY

The transformative decade from 1990 to 2000 was a defining period for JCI Senate Manila, marked by visionary leadership, groundbreaking initiatives, and a

deep commitment to community service. Each president during this era left a lasting legacy, driving the chapter forward with innovative programs, meaningful projects, and a renewed focus on fostering stronger relationships within the organization and with the broader community.

In the 1990-1991 term, insurance executive JCI Senator Firmo O. Liwanag assumed the presidency, ushering in a dynamic era of innovation. Under his leadership, the chapter orchestrated a significant television special, "Joey, Janet, and Joe Mari," which featured JCI Senator Jose Mari L. Chan alongside renowned singers Janet Basco and Joey Albert. This production was a testament to the chapter's ability to undertake ambitious projects and generate significant financial support for its activities. Simultaneously, JCI Senate Manila launched its first major community initiative, providing aid to the victims of the Mount Pinatubo eruption. This combination of creative fundraising and humanitarian outreach culminated in the chapter being awarded its eighth Most Outstanding Senate Chapter Award, recognizing its impactful contributions to both the community and the organization's growth.

The following year, 1991-1992, saw **Nicanor V. Santiago Jr.**, a Makati City administrator, take over as president. Santiago's leadership was marked by an

emphasis on strengthening interpersonal connections within the Senate. He introduced a variety of initiatives, including monthly breakfast meetings, fellowship parties, and sports tournaments, all designed to enhance member interaction and foster a sense of camaraderie. These initiatives were instrumental in reinforcing the bonds between members and creating an environment where fellowship and personal connections thrived.

In 1992-1993, the presidency was passed to confectionery magnate JCI Senator John C. Kaw. Under his leadership, JCI Senate Manila deepened its commitment to community service with the "Challenges, Opportunities, Directions" campaign, which focused on addressing social issues and supporting marginalized communities. One of the most significant projects during his term was the sponsorship of the Lea Salonga-starring musical "My Fair Lady," with proceeds directed to organizations helping victims of the Mount Pinatubo eruption and typhoon survivors. This initiative underscored the Senate's ability to leverage high-profile events to support important causes. Under Kaw's guidance, the chapter also earned a major victory at the Philippine Jaycee Senate awards in January 1994, further solidifying its reputation for excellence.

Faustino I. Gutierrez Jr., a prominent figure in the Liquid and Cylinder Air Products industry, succeeded Kaw in 1993-1994. With the theme "Involvement: The Key to Organizational Growth," Gutierrez focused on further building member engagement and fostering long-term sustainability within the organization. One of his signature achievements was the grand reunion of Manila Jaycee Senators, an event that became an annual tradition, drawing members from across the region and helping to strengthen the bonds between the Senate and its broader network. Additionally, the monthly golf tournaments and breakfast meetings continued under his leadership, maintaining a consistent focus on member engagement and community-building.

In 1994-1995, Architect **Francis L. Romualdez Jr.** took over the presidency, continuing the traditions of the monthly golf tournaments and breakfast meetings while also expanding the chapter's reach and influence. A pivotal moment during Romualdez's term was his role in the election of Past Manila Jaycee Senate President Fernando F. Vitug II as National President of the Philippine Jaycee Senate for 1995. This achievement marked a proud moment for the chapter and highlighted the growing prominence of Manila Jaycee Senators at the national level.

The leadership of JCI Senate Manila experienced a shift in 1995-1996 under President **Benigno N. Ricafort**,

who introduced several new activities to invigorate the chapter. However, the focus quickly shifted to economic and international conferences, particularly due to Ricafort's role in the Asia-Pacific Business Network, leading to a temporary change in priorities.

The chapter's activities experienced a lull after the Asia-Pacific Economic Cooperation (APEC) summit, causing a period of dormancy for the organization as it recalibrated its focus and direction.

In 1997, under the leadership of Metropolitan Manila Development Authority (MMDA) General Manager Robert C. Nacianceno, the organization experienced a revival. Nacianceno and his team brought fresh energy to JCI Senate Manila, collaborating with the MMDA on impactful community development projects such as EcoCamp and Disabled Citizen's Week. These initiatives focused on environmental sustainability empowering with individuals disabilities, demonstrating the chapter's evolving approach to community service and social responsibility.

The presidency of insurance executive **Jimmy C. Alabanza** in 1998-1999 brought a renewed focus on the relevance of the Senate organization in the rapidly changing socio-political landscape. One of Alabanza's key initiatives was the revival of the "Get Out and Vote" campaign, which aimed to engage the electorate in preparation for the May 11, 1998 national elections. This campaign underscored the chapter's commitment to civic engagement and its role in encouraging active participation in the democratic process.

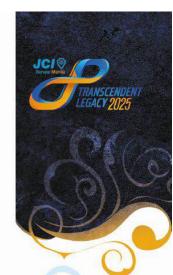

Commissioner of the Philippine Sports Commission and President of the Philippine Sports Association for the Differently Abled (PSC-PHILSPADA) **Michael I. Barredo** assume the presidency. Barredo's leadership was marked by his deep commitment to supporting individuals with disabilities. He organized the

"Challenged Cup," a golf tournament that raised awareness and funds for differently-abled athletes, and he worked closely with the Land Transportation Franchising Regulatory Board (LTFRB) on Project D.I., an initiative to improve accessibility for persons with disabilities. Barredo's passion for social inclusion and his dynamic approach to leadership earned him the distinction of being the first two-term president of JCI Senate Manila, further solidifying his legacy and ensuring the continued growth and impact of the organization in the years to come.

The decade from 1990 to 2000 was an era of remarkable growth and transformation for JCI Senate Manila. Each leader left an indelible mark on the chapter through innovative programs, groundbreaking community initiatives, and a consistent emphasis on fellowship and engagement.

Together, these efforts helped establish JCI Senate Manila as a force for positive change and a cornerstone of the Philippine Jaycee movement, setting the stage for the next chapter in its storied history.

THE 2000s: TRANSITION AND ADAPTABILITY

As the new millennium began, the leadership of JCI Senate Manila entered a period of strategic growth and transformation under the guidance of lawyer Atty. Luis B. Pangilinan Jr., Vice-President for External Relations at the Fort Bonifacio Development Corporation. Serving as president in the Year 2000, Pangilinan brought a forward-thinking vision to the chapter with his theme "Looking Forward." His tenure was marked by a strong emphasis on building partnerships with key government institutions, including the Armed Forces of the Philippines (AFP). Through collaborative fundraising efforts and community-driven initiatives, JCI Senate Manila supported the men and women in uniform, bolstering the chapter's commitment to national service and solidarity. Pangilinan's leadership helped to further elevate the organization's profile, establishing JCI Senate Manila as a vital player in national community engagement.

Madamba assumed the presidency, leading the organization through a revitalization phase that balanced impactful community projects engaging social activities. One of the standout projects during Madamba's term was the "Stop Polluting Our Air" campaign, a significant public aimed at addressing awareness initiative environmental issues. In partnership with Uni-Air and the Land Transportation Franchising Regulatory Board, this campaign sought to educate the public about air pollution and the importance of environmental preservation. Beyond community-focused projects, Madamba worked to re-engage previously inactive JCI Senators, drawing them back into the fold with regular quarterly fellowships and a four-leg Golf Reunion Tournament. These activities helped foster camaraderie and built a stronger sense of community within the chapter, ensuring the continued growth and vitality of JCI Senate Manila.

Painting contractor JCI Senator Jose Benedicto L. Santos took the leadership reins in 2002, continuing the legacy of focusing on golf-related activities while expanding the organization's horizons. Santos's two-term presidency culminated in a momentous milestone for JCI Senate Manila—the celebration of its Silver Founding Anniversary. This significant occasion was marked by a joint fellowship with the Manila Jaycees, held at the Westin Philippine Plaza Hotel on December 3, 2004. Under Santos's direction, the chapter also undertook a professional revamping of We Lead, the official news organ, reflecting the organization's commitment to a more polished and professional image. Santos's tenure not only reinforced JCI Senate Manila's tradition of service but also emphasized the importance of evolving to stay relevant in an ever-changing social landscape.

Television producer and communications expert JCI Senator Louis F. Kierulf succeeded Santos in 2005, inheriting a legacy of community service and strong tradition. Kierulf's organizational leadership continued the emphasis on annual golf tournaments and quarterly fellowship activities, which remained central to the chapter's engagement with its members. A defining moment of Kierulf's presidency was the Manila Jaycee Senate's involvement in the preparations for the highly anticipated "Once A Jaycee, Always A Jaycee" grand reunion, which was held at the Centennial Hall of the Manila Hotel on September 29, 2006. This event attracted over 250 JCI Senators, Associate Members, and Regular JCI Members, creating an extraordinary opportunity for

members from different generations to come together, celebrate their shared experiences, and reinforce the lasting bond that defines the Jaycee spirit. Kierulf's presidency further cemented JCI Senate Manila's reputation as an influential and unifying force within the broader JCI movement.

In the years that followed, the leadership baton was passed to two distinguished individuals, each bringing a unique vision for JCI Senate Manila's future. The first of these was Manila Congressman Ramon S. Bagatsing Jr., who served as president from 2007 to 2009. Describing his term as that of a "transition president," Bagatsing focused on laying the groundwork for a younger generation of JCI Senators to take the helm. His leadership was characterized by strategic fundraising activities that helped to sustain the chapter's operations and support its growing network of members. His efforts helped prepare the chapter for future leadership transitions while maintaining the organization's strong commitment to social impact.

...activities helped foster camaraderie and built a stronger sense of community within the chapter, ensuring the continued growth and vitality of JCI Senate Manila.

JCI Senator **Bienvenido Maria S. Gonzalez III** continued this trajectory from 2009 to 2011, also taking on the role of a "transition president." Gonzalez's tenure was marked by a clear focus on preparing JCI Senate Manila for the next wave of leadership, particularly with the chapter's strategic involvement in the successful hosting of the 2011 JCI Asia-Pacific Conference. This international event was a monumental achievement for JCI Senate Manila, further solidifying its role as a key player in the global JCI network. Gonzalez's leadership emphasized the importance of ensuring the long-term viability of the organization, fostering the professional growth of its members, and maintaining its reputation as an influential and forward-thinking chapter.

Together, the bi-focal presidencies of Bagatsing and Gonzalez laid the foundation for the future growth of JCI Senate Manila. Their shared focus on fundraising, leadership transition, and international collaboration helped position the chapter for a dynamic and forward-looking era. Their efforts created a legacy of strategic planning and organizational stability, ensuring that JCI Senate Manila would continue to thrive and evolve as it entered the new decade.

THE 2010s: LEADERSHIP TRANSITION AND SOCIETAL CONNECTION

The era of the new millennium marked a significant chapter in the history of JCI Senate Manila, witnessing a succession of younger visionary leaders committed to pushing the boundaries of excellence.

Pioneering a new era for the JCI Senate, **Reginald T. Yu**, a dynamic figure in the paint and coatings industry, assumed the mantle of leadership on January 11, 2011. The vibrant inauguration took place at One Esplanade, Parañaque City, witnessed by an enthusiastic assembly of over 300 distinguished guests. Embracing the theme "Manila S.O.A.R.S. (Support, Organize, Activate, Recruit, Strengthen)," the administration embarked on an ambitious journey to rejuvenate the JCI Senate organization, unveiling an array of unprecedented activities. In a strategic move, the administration increased the annual membership dues to Php3,500 per JCI Senator,

aligning with Junior Chamber International's corporate branding policy established in 2004. Moreover, a comprehensive update of legal documents with the Manila City Hall, the Bureau of Internal Revenue, and the Securities and Exchange Commission resulted in the adoption of a new moniker, "JCI Senate Manila, Inc." Reflecting the commitment to effective communication, a regular full-color quarterly newsletter, The Manila Parthenon, was introduced, reaching every JCI Senator's mailbox.

The administration played a pivotal role in orchestrating the 60th JCI Asia-Pacific Conference from May 25 to 29, 2011, hosted by JCI Manila. Additionally, it spearheaded the chairmanship of JCI Senate Philippines' flagship project, the Search for The Outstanding Filipino (TOFIL) Awards. Collaborating with the renowned "Healing Priest," Fr. Fernando Suarez, a golf tournament on December 15, 2011, at the Wack-Wack Golf and Country Club successfully raised funds for constructing a small church on the remote island of Illin, San Jose, Occidental Mindoro. Culminating in a spectacular "November High" fellowship, a landmark event after an 18-year hiatus, on November 27, 2012, at the Seventh High Bar and Boutique Club in Bonifacio Global City, the administration left an indelible mark. The grand occasion drew more than 200 JCI Senators, Associate Members, and regular JCI Members, reinvigorating the spirit of camaraderie.

The zenith of achievement for JCI Senate Manila materialized at the 44th JCI Senate National Convention in Panglao, Bohol, on October 22, 2012. The organization clinched prestigious awards, including "The Most Outstanding JCI Senate Chapter of the Philippines," "The Most Outstanding JCI Senate President of the Philippines," and "The Best JCI Senate Publication of the Philippines." This triumph echoed the glory last witnessed in 1993, a testament to the administration's unwavering dedication and innovative approach.

In the transformative year of 2012, **Eric C. Lee**, an entrepreneur in construction materials and real estate, ushered in a new era marked by a "low-key" approach, prioritizing collaboration with JCI Manila. While maintaining a notable exception with the hosting of the "Promises, Promises" concert, the emphasis was on heightened visibility at regular JCI Manila meetings. Lee's visionary term set the stage for a pivotal shift, positioning JCI Senate Manila to play a more supportive and integral role in joint initiatives with its counterparts.

Entrepreneur extraordinaire Warren C. Sy assumed the role of the 35th President of JCI Senate Manila,

taking the oath of office on January 13, 2015, at Blue Leaf Filipinas in Tambo, Parañaque. With a commitment to inject vitality into the organization, he unveiled the theme "More Alive@35" as the overarching theme for the year. Kicking off the term with vigor, the first project took the form of a New Year's Fellowship at the World Music Room in Promenade, Greenhills, San Juan City, held on January 8, 2015. As part of their fundraising endeavors, the administration introduced two notable initiatives. The first was an exclusive limited edition: the Blancpain Fifty Fathom-inspired Seika 42mm Automatic JCI Manila Senate Commemorative Watch,

with only 50 pieces produced, all of which were swiftly sold out. The second initiative unfolded as the 2015 JCI Manila Senate Golf Tournament at the prestigious Sta. Elena Golf and Country Club Estate on September 21, 2015. The tournament's proceeds were allocated in part to support the JCI Manila Golden Heart Project, a noble cause aiding children affected by cerebral palsy. Concluding the term on an entertaining note, the administration introduced the inaugural JCI Manila Senate Mooncake Festive Dice Game, held at the residence of 2000 JCI Manila President Jelson N. Young in Forbes Park, Makati, on October 1, 2015. This event not only added a lively touch to their calendar but also reflected the administration's dedication to fostering fellowship and camaraderie among its esteemed members.

Phillippe John S. Fetalvero, a well-regarded Automobile Dealer, assumed the presidency and was inducted at Green Sun Hotel in Makati on January 26, Embracing the theme "Connecting Generations" as their battle cry, the new leadership embarked on their inaugural project - a Chinese New Year Dinner and an informal Turnover Ceremony held on February 23, 2016, at the Modern Sichuan Restaurant in Bonifacio Global City, Taguig. The event garnered attendance from over a hundred JCI Senators, setting the tone for a dynamic and inclusive year ahead. Returning to the organization's roots, the leadership prioritized community service, exemplified by the "Share a Smile: A Care to Share Dental Outreach Program" conducted on September 21, 2016. Undoubtedly, one of the administration's significant undertakings was the JCI Manila Senate Golf Tournament at the Sta. Elena Golf and Country Club on September 26, 2016. The tournament's proceeds were dedicated to the "Share a Smile Dental Outreach Program," providing crucial support to 300 families associated with the Sta. Elena Golf Club. Additionally, funds were directed to the Scholarship Fund of the Don Bosco Technical Vocational Education and Training Center, showcasing the administration's commitment to both community welfare and education.

On January 20, 2017, Senior bank executive Gerard Majella T. Dee assumed the role of President, bringing forth the theme "Bridging Generations." Throughout his tenure, the JCI Senate Manila Board actively supported the hosting of the JCI ASPAC Senate Golf at the Alabang Golf and Country Club on March 12, 2017. Undoubtedly, the highlight of the year was the extensive undertaking of the 2017 JCI Manila Senate Golf Tournament, a pivotal event held on September 18, 2017, at the prestigious Sta. Elena Golf and Country Club. The administration concluded its term with a grand culmination, presenting a memorable "Roman Banquet" theme for their Senate Manila Reunion on November 28, 2017, at the One Shang, Ortigas Center. The event drew the participation of almost a hundred esteemed JCI Senators, solidifying a sense of camaraderie and shared commitment within the organization.

on January 26, 2018. Guided by the overarching theme of "Bridging the Gap," the Board embarked on a strategic mission to foster enhanced relationships among JCI Manila Senators. The proactive approach led the Board to organize a vibrant Chinese New Year Get-Together, a resounding success that transpired on February 27, 2018, at the Modern Sichuan in Bonifacio Global City. This event saw the enthusiastic participation of nearly a hundred esteemed JCI Senators, reinforcing the bonds of fellowship within the organization. In continued celebration and camaraderie, the Board orchestrated a festive Mid-Autumn Festival Dice Game, held on September 22 at the Corinthian Gardens Clubhouse. This lively event served as another platform for dynamic interactions and shared moments among JCI Senators, further solidifying the spirit of unity and collaboration championed by "Papa Bear" and his dedicated Board.

Esteemed paper trader **Ericson L. Lee** assumed the presidency, taking his oath of office amidst opulent ceremonies at the Grand Ballroom of Solaire Resort and Casino on January 11, 2019. Under his astute guidance, the chapter orchestrate two impactful joint General Membership Meetings in collaboration with

JCI Manila. These noteworthy events included the engaging "Evening with JCI Manila Senators and JCI Members" held on April 11 at the Rizal Park Hotel and "The Homecoming with Former Foreign Affairs Secretary Albert del Rosario" on July 30 at the prestigious Raffles Hotel Makati. Additionally, the administration initiated the "Art eMerge" fundraising project, a collaborative effort with emerging artists, showcasing their works to be acquired by members of both JCI Manila and JCI Senate Manila. In a testament to its commitment to community initiatives, the organization threw its support behind the flagship projects of JCI Senate Philippines, including Project W.A.T.C.H. and the "Kasambahay, Kasambuhay" Awards. The term concluded with a memorable Senator's Fellowship Night at the Corinthian Gardens Clubhouse on September 20, followed by a grand reunion of JCI Senators on December 5, 2019, hosted at the Social Hall of Serendra-1. This period marked a culmination of successful endeavors, strengthening the bonds of camaraderie within the organization.

Distinguished technology solutions provider **Jefferson T. Plaza**, along with his dynamic team of JCI Senators, ushered in a new era for the forty-year-old organization. The induction took place in an exclusive oath-taking ceremony at the grand MacArthur Suite

Embracing the theme "Timeless Brotherhood," the innovative board under Pres. Jepet was undeterred by the challenges posed by the Covid-19 pandemic. Responding to the needs of front-liners and those affected by Typhoon "Ulysses," JCI Senate Manila initiated "Oplan Damayan." Preparing and distributing food packs to various hospitals. They also generously turned over 630 Care Packages to the severely impacted towns of Catanduanes Province.

They also spearheaded a series of online General Membership Meetings broadcasted via Facebook Live. This engaging series commenced with "Surviving the Frontlines" featuring Dr. Rody G. Sy, M.D. on May 21, followed by "Online Learning Series 2020" with real estate expert Justin dela Cruz, and Bureau of Customs Legal expert Atty. Joseph Samuel Zapata on July 18. These were followed by "Peace of Mind" by Dr. Julian R. Montano on September 3, "The Road Less Traveled" by James Deakin on September 7, and "Masters of Disaster" by Dr. Ted T. Esguerra on November 10. In lieu of traditional in-person fellowships, the board organized a captivating celebration of the Mid-Autumn Festival, titled "Nice & Dice," conducted via Zoom on October 17, 2020.

Dedicated to the ethos of "Enabling Selfless Service to Empower, Nurture, and Create Excellence (E.S.S.E.N.C.E.)," the visionary leaders of JCI Senate Manila in 2021, led by insurance executive Winston Laurence C. Wu, adapted to the challenges of the Covid-19 pandemic with resilience and innovation. Holding their first-ever virtual induction and conducting meetings through online platforms and social media, JCI Senate Manila remained vigilant about the prevailing health threats. Seizing the opportunities afforded by digital platforms, they launched the organization's official website at www.jcisenatemanila.org, along with reinvigorated Facebook pages and groups to enhance communication avenues for their members and other stakeholders.

This year also saw the first and only virtual Chinese New Year celebration featuring renowned geomancer Shirley Chen. Collaborating with JCI Manila and JCI Makati Princess Urduja, the chapter co-hosted a webinar on Covid-19 vaccines, featuring experts Dr. Beverly Ho from the Department of Health and Dr. Regina Berba from the Philippine General Hospital. A special virtual session called "Biztalks" highlighted select JCI Senator-businessmen. Acknowledging the emotional toll of the pandemic, the organization

conducted an online Holy Mass dedicated to JCI members who lost family and loved ones. Additionally, a virtual "Tax Talk" webinar in collaboration with SGV and Company added an educational dimension to their initiatives. While prioritizing safety, JCI Senate Manila engaged in meaningful in-person activities, including donation drives for indigent families of Barangay 171 in Manila and support for victims of the Taal Volcano explosion. This comprehensive approach illustrated their commitment to service, innovation, and community support during challenging times.

As it poised itself to confront the persistent challenges of the "new normal" under the leadership of incoming President, creative and marketing entrepreneur Jasper L. Golangco, JCI Senate Manila continued to stand as a crucible of transformational leadership. Comprising distinguished leaders who consistently elevate the standards of leadership excellence in their respective fields, the organization navigated through changing dynamics with a firm commitment to preserving chapter traditions under the theme "Restoring Traditions." The year commenced with a heartwarming day out for terminally ill children, a collaborative effort with the Filipino alumni of the University of Southern California (Los Angeles), exemplifying their commitment to bringing joy to those facing adversity.

JCI Senate Manila orchestrated a successful virtual event titled "Fatherhood Made Easy," which provided valuable insights and fostered camaraderie among members. The organization took the lead in revitalizing the Business Round Table concept, serving as a dynamic platform for discussions, idea exchange, and networking among esteemed members. A modest yet triumphant Dice Game injected excitement into the organization's calendar of events, offering entertainment while contributing to the camaraderie that defines their close-knit community. JCI Senate Manila was able to conduct three legs for Oplan Damayan, with the last leg dedicated to Lapu Lapu City, extending a helping hand to a community ravaged by a devastating fire. The organization showcased its dedication to philanthropy with a highly

The organization showcased its dedication to philanthropy with a highly successful golf tournament that raised over half a million pesos. The proceeds were directed to the pediatric cancer ward of the Philippine General Hospital, underscoring their commitment to making a positive impact on the lives of those in need. JCI Senate Manila ensured the continuation of support for the JCI 75th anniversary Billion Bamboo Project, reflecting their dedication to environmental sustainability and global initiatives that transcend borders. Finally, in a momentous occasion, the administration concluded its term by welcoming 14 new JCI Senators. The induction ceremony celebrated the dedication and service of these individuals, enriching the organization with fresh perspectives and renewed enthusiasm.

JCI Senate Manila's 45th anniversary, themed "Unlocking Possibilities," celebrated its legacy of fostering fellowship and advancing leadership under the helm of **Kerby G. Chua**, a seasoned entrepreneur.

The year opened with the Induction and Turnover Ceremonies on February 20, 2024, at the Manila Polo Club, featuring Ms. Mary Grace Dimacali of Café Mary Grace. This was followed by impactful events like the Business Round Table in April, the "Introduction to Yoga" wellness program in May, and participation in "Lakad Magkaibigan" in June.

JCI Senate Manila's focus on education shone through "Gabay Aral sa Kabataan," donating 10,000 notebooks to students in three cities. A second Business Round Table event was held in July, while the Board regrouped in mid-year planning session in Hong Kong, then followed it with the festive "Rolling Retro" Mid-Autumn Fellowship in September.

The year culminated in two grand events: "The BIG Night 2024," a celebration of fellowship and recognition, and the inaugural "1st Annual Trinity Cup," a golf tournament fostering bonds among Senators and JCI Manila members.

The year 2025 heralds a new chapter in JCI Senate Manila's illustrious history, as it embarks on what promises to be a watershed year under the visionary leadership of **Randy O. Manaloto**. A successful entrepreneur with expertise spanning land realty development, events management, and digital logistics, Randy embodies the dynamic and transformative leadership needed to carry the organization forward. With the theme "Transcendent Legacy," this year's leadership seeks to honor the past, elevate the present, and prepare the Senate for a future filled with greater opportunities and challenges.

EPILOGUE: ILLUMINATING THE PATH FORWARD

As JCI Senate Manila navigates the uncharted waters of the 21st century, where societal demands and challenges loom larger than ever, its legacy remains firmly rooted in its principles: fellowship that forges unbreakable bonds, leadership that transforms individuals into visionaries, and service that uplifts communities. The spirit of JCI Senate Manila is one of courage, adaptability, and an unwavering belief in the power of collective action to inspire meaningful change.

The journey of JCI Senate Manila transcends the bounds of a conventional social club; it has matured into a formidable organization recognized as a beacon of leadership, service, and excellence. Its accolades are a testament to its impact, including the prestigious title of "Most Outstanding Senate Chapter of the Philippines" and successive honors for its presidents as "Most Outstanding Senate Chapter President of the Philippines." These recognitions underscore the

organization's unwavering commitment to advancing commitment to advancing the ideals of fellowship, leadership, and community service.

Looking ahead, the organization's journey is far from over—it is merely evolving. The torch passed down from generations of dedicated leaders now burns brighter, illuminating a path toward new heights of excellence and innovation. In the hands of Randy O. Manaloto and his team, JCI Senate Manila stands poised to redefine what it means to leave a legacy, not only for the organization but for the communities it serves.

The true measure of success lies not in accolades or titles, but in the lives touched, the leaders inspired, and the futures shaped. In this spirit, JCI Senate Manila continues to chart its course, steadfast in its mission to be a guiding light in the ever-changing tapestry of the modern world. The journey is ongoing, the possibilities are boundless, and the legacy is transcendent.

AGE. At its core, the word evokes the image of an individual distinguished by profound wisdom, sound judgment, and a lifetime of experience. As an adjective, sianifies discernment, prudence, wisdom—qualities that epitomize insightful, thoughtful and impactful leadership.

Guided by this spirit, the JCI Manila Senate, under the visionary leadership of JCI Sen. Randy O. Manaloto, proudly introduces "The Annual Legacy Award for outstanding Stewardship, Advocacy, Governance, Enterprise (SAGE)." prestigious accolade seeks to honor a JCI Manila member, Senator, or associate who embodies **STEWARDSHIP** responsibly by managing resources for collective growth, champion ADVOCACY by passionately advancing societal causes, uphold GOVERNANCE with unwavering integrity accountability, and drive ENTERPRISE through innovation and economic contribution. These interconnected tenets form the foundation of sustainable progress, reflecting JCI Manila's commitment to transformative leadership and enduring impact. By recognizing such individuals, the SAGE Award reinforces JCI Manila's mission to inspire transformative leadership, meaningful change communities, and extend the spirit of service beyond the boundaries of our chapter.

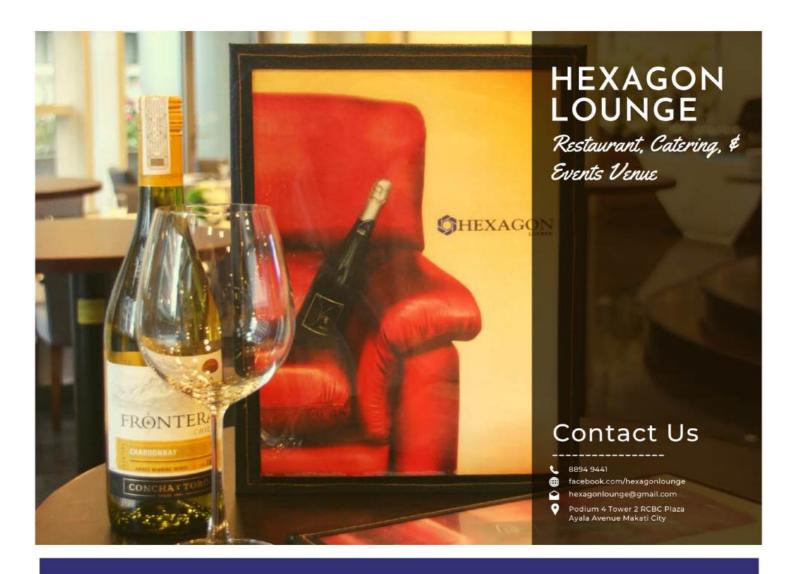

Anchored in this year's theme, "TRANSCENDENT LEGACY," the SAGE Award looks beyond the present, honoring trailblazers whose influence will inspire generations of JCI Manila members, Senators, and associates. It is a celebration of those whose actions today will shape the leaders of tomorrow, creating a ripple

Ultimately, the SAGE Award seeks to inspire individuals to transcend personal ambitions and focus on legacies that communities and create a better society. This distinguished honor not celebrates excellence leadership but also serves as a call to action—urging individuals organizations to rise above limitations, set new benchmarks, and leave lasting contributions that redefine the future.

Through the SAGE Award, JCI Senate Manila reaffirms its commitment to nurturing leaders who are catalysts of enduring change, paving the way for a legacy that transcends time and leaves an indelible mark on the world.

Congratulations to the 2025 JCI Senate Manila Board of Directors!

from JCI Senator Lloyd Chao

Reflecting on Our Term

"Unlocking Possibilities"

Dear Members.

As we conclude our inspiring year under the theme "Unlocking Possibilities," I want to take a moment to reflect on the incredible journey we have shared. This term has been a celebration of our unique fingerprints—each of us contributing our distinct talents, perspectives, and passions to our beloved organization.

"Unlocking Possibilities" has represented more than just our individual contributions; it has embodied the values of inclusivity, empowerment, and lifelong learning that are at the heart of our mission. Together, we have created an environment where every voice is valued, where diverse ideas flourish, and where we have empowered one another to grow and succeed.

Throughout this year, we have embraced challenges and celebrated achievements, all while fostering a culture of collaboration and support. The fingerprints we leave behind are a testament to the collective impact we have made, and I am immensely proud of what we have accomplished together.

I firmly believe in the power of surrounding myself with individuals who inspire and challenge me to grow. I am truly fortunate to be supported by an exceptional group of 14 board members, all of whom are progressive-minded and dedicated to our shared vision.

A literal meeting of minds was usually enjoyed with dinner. The board shown here at the storied Manila House

Their diverse perspectives, innovative ideas, and unwavering commitment to excellence have not only enriched our discussions but have also propelled our initiatives forward. Together, we are creating an environment that fosters collaboration, creativity, and continuous improvement.

In terms of our activities, it's hard not to recall the wonderful Induction and Turnover Ceremonies held at the Manila Polo Club, where we were honored to have over a hundred distinguished members and special guests in attendance. This memorable event set the tone for what would become an extraordinary journey of growth and collaboration.

One of the highlights of our term was the launch of our brainchild, the Business Roundtable. This initiative became the focal point of our commitment to lifelong learning, providing a platform for meaningful discussions, knowledge sharing, and networking among our members. It has been inspiring to see how this initiative has fostered a culture of continuous improvement and innovation within our organization.

Another most significant and impactful initiatives has been the Gabay Aral para sa Kabataan community development project. In collaboration with President Jelson Young of the Alliance of Paper Traders of the Philippines, we were able to provide 10,000 notebooks to some of the most underserved communities in Metro Manila.

This project exemplifies our commitment to making a tangible difference in the lives of those in need. By equipping students with the essential tools they require for their education, we are not

Many fun, yet productive board meetings were held at the Makati Sports Club, which resulted in a well-bonded board of directors

only fostering a love for learning but also empowering them to break the cycle of poverty. The impact of this initiative extends far beyond the notebooks themselves; it represents hope, opportunity, and the promise of a bright future.

One of the standout moments of this year was our out-of-town planning session in Hong Kong, which significantly strengthened the bonds of brotherhood among our board members. This immersive experience allowed us to step away from our daily routines and engage in meaningful discussions, strategic planning, and team-building activities in a vibrant and inspiring setting.

It also deepened our understanding of each other's strengths, weaknesses, aspirations, and visions for the future. The collaborative spirit that emerged from our sessions has laid a solid foundation for our initiatives and has invigorated our commitment to our shared mission.

As we move forward, let us carry the spirit of "Unlocking Possibilities" with us. May we continue

to embrace our unique contributions, champion inclusivity, and commit to lifelong learning in all our future endeavors.

Thank you for your dedication, passion, and unwavering support throughout this term. Together, we have unlocked new possibilities, and I am excited to see how we will continue to shape our organization in the years to come.

Let us support Incoming President Randy Manaloto who has time and again demonstrated his selfless commitment and service to the JCI movement. 2025 will be the culmination of all of years of hardwork and dedication to the organization.

Our one year to lead has come to an end, it has been a privilege serving all of you.

This is Kerby G. Chua, JGF, Senator No. 67434, 2024 President of JCI Senate Manila, signing off.

Together, we are creating an environment that fosters collaboration, creativity, and continuous improvement.

Induction & Turnover Ceremonies 2024

The 2024 Induction & Turnover Ceremonies held at the Manila Polo Club last February 20, 2024 was one of the most attended Senate Inductions in recent history.

An engaging talk was given by Special Guest Speaker Ms. Mary Dimacali of Cafe Mary Grace. This was followed by the charging of Board of Directors by Past JCI Manila President Rafael "Boydee" Dizon, while the oath-taking was led by Past JCI Manila President Philip "Jun" Co.

The evening's proceedings were led by the ever-reliable JCI Sen. Johnny Fetalvero, with the radiant Pres. Joam de Guzman of JCI Manileña sharing the stage as his capable co-host.

Also in attendance were the spouses of the incoming board members, as well as officers from JCI Senate Philippines, the Metro Manila Jaycee Senate, and many more.

Left: JCI Sen. Kerby Chua strides triumphantly to the stage as he is announced as the 2025 president of JCI Senate Manila. Among those happily looking on are MMJS Pres. Willy Cuison, NP Steve Tycangco, PP Boydee Dizon, JCISP National President Eduardo Echem, and JCI Sen. Herbert Tang

Induction & Turnover Ceremonies 2024

Business Round Table Series:

Part 1: Infrastructure Development and Where to Invest Part 2: Philippine Economic Outlook 2024 and Beyond

BUSINESS ROUND TABLE

The Business Round Table Series was officially relaunched at the Rockwell Club in Makati City last April 25, 2024 under the directorate of Sen. Carlo Villegas, together with then-EVP Randy Manaloto and chairman Sen.

McGeorge Yuquico.

The first of two topics featured that evening was led by Mr. Joey Bondoc of Colliers, who discussed the country's current infrastructure and development rate, while the other was a talk on the Philippine economic outlook. This was presented by Mr. Michael Ricafort, Chief Economist of RCBC.

Also held was the signing of an agreement between JCI Senate Manila and the Association of Paper Traders of the Philippines, which was led by its president, JCI Senator and Past President Jelson Young, and Immediate Past President Ericson Lee.

A special message was then shared by JCI Senator and Past President Cecilio Pedro, then also serving as president of the Federation of Filipino-Chinese Chambers of Commerce and Industry, who emphasized the role of JCI in nation-building.

Introduction to Yoga

An hour-long session dubbed "Introduction to Yoga" was held last May 22, 2024 at the clubhouse of Valle Verde 5. It was facilitated by certified Yoga instructor Ms. Katrina Tan.

Conceptualized by VP Sen. Glenn Chan under the directorate of Sen. Eugene Ang, and chaired by Sen. Jason Ong, the the event was well-attended by Past Presidents, Senators, and other guests which included wives and children.

Along with freebies, yoga mats and towels through the generous sponsorships of PP Toby Claudio, PP Gerard Dee, and Sen. Jason Ong, the session was also capped off by a fellowship with free flowing drinks and a sumptuous buffet. A fitting reward after a fun and satisfying workout.

JCI Senate Manila joins FFCCCII's Lakad Magkaibigan

Last June 9, 2024, the Federation of Filipino-Chinese Chamber of Commerce & Industry, Inc. (FFCCCII) held their "Lakad Magkaibigan," a civic walk in observance of our 126th Independence Day.

Starting from the Binondo-Intramuros Bridge, then ending at the Bonifacio and Katipunan Revolution Shrine, the march was led by FFCCCII President and past JCI Manila President Cecilio Pedro, and was joined by JCI Senate Manila, JCI Manila, as well as thousands of leaders and members of various other socio-civic groups.

Business Round Table Series: SUCCESSFUL SUCCESSIONS with Prof. Enrique Soriano

The Business Round Table Series for 2024 was capped off by "Successful Successions," a talk focused on the best practices of succession planning especially for family businesses.

This forum was conducted by no less than Prof. Eric Soriano, considered by many as the "Guru" of business succession planning and conflict resolution not only in the Philippines, but internationally as well. His one hour presentation was informative, engaging, and, more importantly, relevant to the participants and their respective enterprises. The presentation was capped off by an open forum for several questions from the audience which our guest speaker graciously addressed.

The event, which was also held last July 2, 2024, also at the Rockwell Club was a full-house with 64 attendees which included Past Presidents and Senate Presidents of JCI Manila, regular members, associate members, and guests from our sister chapters.

UNLOCKING

Gabay Aral Para sa Kabataan

JCI Senate Manila (JCISM) and the Alliance of Paper Traders of the Philippines (APTP) recently collaborated to donate 10,000 much-needed notebooks to public school children belonging to the poorest of the poor communities in Pasay City, Mandaluyong City, and Quezon City.

Called the "Gabay Aral Para sa Kabataan", this project is the brainchild of JCISM President Kerby Chua and APTP President Jelson Young (also a Past President of JCI Manlla) with the main objective of providing essential tools in the intellectual growth and development of public school children.

Leading the project were Past JCISM President Kit Lee, VP Sen. Rodney Kwan, Dir. Sen. JJ Go Dequito, and Project Chairman Sen. Earl Yu.

UNLOCKING POSSIBILITIES 2024

Oplan Damayan

#CarinoPH

The tail-end of July of 2024 saw the Philippines battered by a massive 472.5mm of rain in a 24-hour span during typhoon Gaemi, locally known as #CarinaPH.

Oplan Damayan was immediately deployed under the helm of Sen. Rodney K. Kaurel with support from Past President and Incoming Director Joel Nuñez, and JCI Senator George Yusun.

JCI Senate Manila was able to donate medicines, canned food, shovels, and wheel barrows to various affected districts, including the LGU of Marikina, the 2nd District of Rizal, Antipolo, Montalban, Brgy. Roxas in Quezon City, as well as the Carmel and Lourdes Church, also in Quezon City

HK Planning Session 2024

The weekend of August 29 to 31, 2024 saw the 2024 Board of Directors jet off to Hong Kong for an out-of-town planning session.

Aside from bonding over sumptuous Cantonese delicacies, the 2024 Board took this opportunity to discuss future initiatives of the country's premier JCI Senate chapter, with all fifteen directors in attendance.

Rolling Retro Mid-Autumn Dice Game Fellowship

It was an 80s-themed Mid-Autumn celebration at Supersam BGC last September 30, 2024.

JCI Senators were welcomed by an innovative dice game which had a round trip to Hong Kong and two 40-inch TV sets among its prizes!

With close to 60 attendees, it was a full house filled with laughter, music, and nonstop fellowship. The Silk Acoustic band brought back the magic of the '80s with their incredible tunes, and the fun didn't stop there!

Free-flowing drinks kept the spirits high, while the open mic session saw some of our fellow senators take the stage and relive our favorite hits.

The BIG NIGHT

The JCI Senate Manila Year-Ender Reunion Fellowship

Last November 26, 2024, JCI Senate Manila held its Grand General Membership Meeting & Fellowship at the Revel at the Palace Club in Bonifacio Global City. Titled "The Big Night," this much-awaited event gathered over 120 Senators and guests, making it a truly memorable celebration of leadership, service, and fellowship.

The evening was filled with meaningful moments as we honored the Project Chairmen of this year's successful projects with Plaques of Appreciation, and celebrated the 2024 Senate Board of Directors, with Senate President Kerby Chua presenting Presidential Awards of Merit for their outstanding leadership and service.

Everyone enjoyed the presence of distinguished past presidents, directors from sister chapters, and other special guests who graced the event with their support and camaraderie. The atmosphere was casual yet festive, with friendships rekindled and bonds strengthened among long-time JCI members and new Senators alike. The night was made even more exciting with a raffle and a special upbeat video recap showcasing our successful projects and activities throughout 2024.

The evening ended on a high note with the retro beats of DJ Lovezy, adding a fun and nostalgic vibe to an already incredible night.

The event was chaired by none other than Past Senate President Warren Sy.

Trinity Cup 2024 Swing for Their Future

Last November 28, 2024, JCI Senate Manila hosted the much-anticipated Annual Golf Tournament, aptly titled "Swing for Their Future," at the picturesque Palmer Course of Forest Hills in Antipolo. The event was a huge success, drawing close to 100 passionate golfers who played not just for fun but also for a cause.

Chaired by JCI Sen. Randy Dizon, the First-Ever Trinity Cup added excitement to the tournament, featuring a friendly competition between Senators & Associates and Regular Members. Congratulations to the Senators & Associates team for clinching the victory this year!

For the second year in a row, the tournament's beneficiary was "Two More Kids," a fundraising initiative for the PGH Pediatric Neurosurgical and Craniofacial Operating Unit. Thanks to the generosity of our sponsors and donors, we proudly raised P700,000 to provide life-saving treatment for underprivileged children with brain and spine tumors and facial malformations.

The event was capped off with a memorable awarding ceremony, featuring a special performance by the iconic Randy Santiago. The night became even more lively as members courageously took the mic and sang along, creating a fun and heartfelt atmosphere.

Participants also enjoyed sumptuous food and went home with wonderful raffle prizes, including HDTVs, iPads, and more!
